A Garden of  
Delightful Flavors

## Our Mission

Our mission is to bring more awareness and reputation to the Vietnamese culture, but also our tea flavors. Our products are meant for tea lovers and people with an interest in their health and the vietnamese culture. We want to bring a variety of people together from all around the world through our shared passion and interest with tea. Our products would expand and reach worldwide and to be sold to distributors and retailers to reach our loyal customers. To further reach more of our customers, we also offer our products to be sold online and for convenience and accessibility.

## About Vietnamese Tea

Vietnamese people have been drinking tea for over three thousand years. Vietnamese's tea are usually grown in the sub-tropical north and tropical south of Vietnam. Drinking tea is a like a hobby for many. Many Vietnamese people appreciate drinking tea during everyday activities to special occasion, and it brings family and friends together. Many people that drink tea are usually older members in the household, but it is currently becoming more popular to the younger generation. Vietnamese tea are commonly flower-infused such as green tea or floral-scented white tea. Green tea being the most popular type of tea among Vietnamese people.

## Types of Vietnamese Tea

### Green Tea

Our Vietnamese green tea is minimally-processed in order to preserve the tea's aroma and health antioxidants. Green tea has proven to show many health benefits such as improving blood flow and lowering cholesterol.

### Lotus Tea

Our Vietnamese lotus tea is a green tea that is infused with lotus flowers, and it enhances a natural aroma and taste that can be described as naturally sweet. Lotus flowers contain chemicals that may reduce swelling, kill cancer cells and bacteria, reduce blood sugar to name a few.

### Jasmine Tea

Our Vietnamese jasmine tea is a green tea scented with jasmine tea. The tea is subtly sweet and highly fragrance. Jasmine tea contains many health benefits as it contains various antioxidants that may lower your risk of heart disease and certain cancers.

### Artichoke Tea

Our Vietnamese artichoke tea is a green tea that is also infused with the artichoke flower buds. The taste is a smooth sweet flavor with an earthy flavor. Artichoke contains several health benefits such as promoting liver functioning, detoxing the body, and optimizing digestive processes.

### Chrysanthemum Tea

Our Vietnamese chrysanthemum tea is a green tea with an infusion of chrysanthemum flowers. It has a light and refreshing taste. The benefits of Chrysanthemum flowers is that they can be used to treat chest pain, high blood pressure, type 2 diabetes, fever, cold, to name a few.
